

ELNEC

END-OF-LIFE NURSING EDUCATION CONSORTIUM

2021 Courses

Happy New Year!

Make sure to check out our courses for this year; we have a couple virtual courses coming up and some in-person courses planned later this year. Our team misses connecting with our participants in person, but look forward to connecting virtually while we wait until restrictions are lifted.
(Pssst...take advantage of the discounts)

The brochure features a header with three overlapping circles in blue, green, and teal. The title 'ELNEC Oncology APRN' is in bold blue text, followed by the dates 'MARCH 10-12, 2021'. A large green script font reads 'Going Virtual', and a green box contains the text 'NCI GRANT FUNDED COURSE'. The background shows a blurred image of a group of people.

Who Should Apply:	Participants Receive:
<ul style="list-style-type: none">• Oncology Nurses with MSN or DNP (PhD if 100% clinical)• Adult and Pediatric Nurses• Must work in cancer setting or with cancer population• Excluded those working on the palliative care team	<ul style="list-style-type: none">• Free course registration• 19 CEs (5 designated pharm)• Course materials - all ELNEC curricula, textbook, and more resources• If In person: Hotel lodging for 3 nights, breakfast & lunch
