

SCHOOLS OF NURSING: ELNEC ONLINE

Are you a faculty member? Reach out to ELNEC@coh.org for free access.

- Undergraduate/New Graduate
- Graduate

With the need for nursing education to be accessible remotely, this online curriculum is great for nursing schools preparing for remote or face-to-face classes.

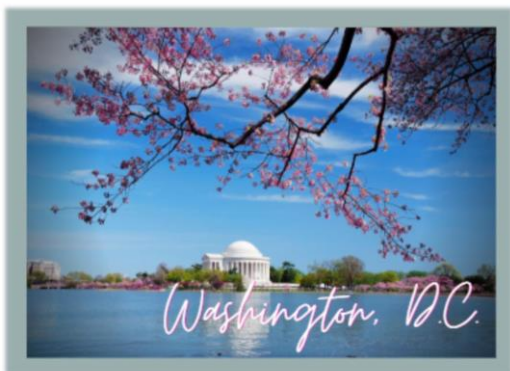

Are you an faculty member who would like *free* access to the Undergraduate/New Graduate or Graduate curriculum? Email elnec@coh.org to request *free* access to see how this can be implemented into your institution. ELNEC will provide supplemental teaching resources along with resources for your learners.
